

## PHASES OF THE MOON ACTIVITY

Follow the instructions to create a flipbook or information poster of the phases of the moon.

This activity was developed to compliment:

<https://education.australiascience.tv/moonlight-and-stealth-how-an-author-s-error-created-a-myth-about-a-wwii-invasion>

1. Cut along the dotted lines of each Moon phase.
2. Put them in order according to the picture. (Start with the "Moon Phases Flip Book")  
OR  
Use the blank templates and draw your own moon phases (see below for ideas).
3. Align the right side of the book and staple the cover page and the phases together to create a flip book.
4. Flip through the images to view the changing phases!
